

Best Practice I

“Helping hands are better than praying lips,” this quote by Mother Teresa has inspired Dhing College principal to come up with an initiative to help the poorest of the poor students.

The Principal, Dr. S.K.Dutta, has launched an aid programme, ‘Poor-aid Fund’ to help the poor, orphaned and disabled students.

Dhing College is situated in one of the minority dominated backward area in the state and is also known for poverty and migrations. Many of them have dropped out at secondary and college-level due to poverty.

Most of the students generally, and girl students especially even ended their education due to financial problems. Poverty becomes a big hurdle for them to excel in the field of their choice. Noticing all these aspects and learning about the financial struggles of meritorious students in the college launched ‘Poor-aid Fund. The college has constituted a special committee to disburse the aid to the students in need in a transparent manner.
