Sub: Assessment and Certification of candidates under PMKVY 4.0 – release of funds-reg.

Sir,

Based on the allocation of training targets and defined average unit cost under Short Term Training (STT) type, payments are made to TP/TCs in three tranches for certified candidates as per following:

Tranche 1	30%	On commencement of training
Tranche 2	30%	On batch achieving 70% AEBAS attendance once and 50% of the training is over
Tranche 3	40%	On certification (passed candidates only)

2. As Assessment and Certification process under PMKVY 4.0 holds significant importance for skill development and employability, it has now been decided that for any TP/TC whose 10 or more batches have not been assessed and the number of batches not assessed is more than 10% of the total batches of that TP/TC, no further tranche payment should be released to such TP/TC. Further, necessary communication in this regard may be made with such TP/TC by NSDC and they may be requested to complete the assessment within a week's time to get the payment released or take necessary action on SIDH for appropriate closure of the batches.

3. Also, NSDC is requested to make necessary provision on SIDH portal to prevent TP/TC to start new batch in a particular job-role until they complete the assessment process of the candidates for earlier batches of the same job-role.

4. This has approval of competent authority.

Yours faithfully,

(Ashutosh Kumar)
